Education

NIT Bangalore, Bangalore	
B.Tech in Civil Engineering	2020 – 2024
St. Joseph Junior College, Bangalore	
Intermediate (MPC)	2018 – 2020
Greenwood High School, Bangalore	
Secondary School Certificate (SSC)	2016 – 2018

Internships & Work Experience

XYZ Constructions, Bangalore	Summer 2023
Intern - Structural Analysis	
Tools: AutoCAD, SAP2000	

- Assisted in designing residential building layouts and load analysis.
- Prepared structural drawings and optimized material usage to reduce costs.

Projects

Bridge Design Optimization

- Used AutoCAD and SAP2000 to design a highway bridge structure.
- Optimized load distribution and material selection to improve efficiency.

Road Pavement Condition Survey

- Collected road data and analyzed pavement conditions using Python and Excel.
- Proposed maintenance prioritization plan for efficient resource utilization.

Skills

Software: AutoCAD, SAP2000, Excel

Languages: Python, C++

Other: Project Management, Data Analysis

Positions of Responsibility

Civil Engineering Association

Joint Secretary (2022–23)

Spring Fest Organization Team

Sub-Core Member (2021–22)

Achievements

- Secured Top 5% in National Engineering Aptitude Test.
- Won Best Project Award in NIT Bangalore Tech Expo.
